

# TUESDAY TALON

## MESSAGE FROM THE PRINCIPAL

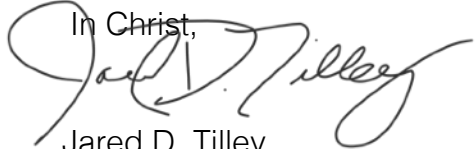

The middle and upper school students are proud to present International Day 2023! Next Friday, March 10, the lower school students will travel internationally to over eighteen different countries including England, Nepal, Brazil, and Albania. The middle and upper school students have created booths highlighting their countries' culture, including food, music, dance, language, and history that they will share with the Tennessee Christian community.

International Day has been a staple event for Tennessee Christian over the past seven years. Through a strong partnership between the history and art departments, we have seen the students grow in their understanding of international culture and the creative display of what they have learned. It is a joy to see the students working together to transform the gym into a

world showcase, using their ingenuity to help their creative ideas come to life.

Families, you are formal invitation to visit our campus on Friday, March 10, to see the International Day World Showcase! We welcome you to see the hard work of our students, taste the food, and hear the sounds. The World Showcase is open from 10:45-2:00.

In Christ,

## LOWER SCHOOL, THE 2ND GRADE MARKET

The Second Grade classroom was buzzing with excitement last Thursday morning as it was transformed from a normal classroom to the Second Grade Market. This event is one that is met with much anticipation from students in each grade level. Second Graders were excited to welcome other Lower School students to their shops to browse and purchase one of a kind hand-crafted items. Items consisted of monsters from Ben's Gadgets, keychains from Lizzie's keychains, Forkies from May the

Fork be With You, coasters from Kennerly's Coasters, birdhouses from Andrew's Bird-o-Rama, and stress balls from Molly's 'Mojis. Students were all smiles as they made the difficult decision of which items to purchase, counted their money, and received their change. We raised over \$100 to go to Beta Club's Thoughtful Thursday project. Thank you all for supporting our Second Graders and helping to make memories for them!
