

# TUESDAY TALON

## MESSAGE FROM THE PRINCIPAL

In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.

Matthew 5:16

The students and members of the Tennessee Christian community had the distinct privilege of traveling to Ireland, Wales, and England over Spring Break. While “across the pond,” we met many distinct and genuine personalities.

One of the most

memorable for everyone

involved was Lee, our Wales and England bus driver. Lee was a Welch man whose boyhood teacher told him that he could not earn a living from staring out of a window. Sure enough, he is doing that very thing. From the moment we met Lee, he was personable, passionate, and dedicated to protecting the travelers on his coach. On the quiet streets of London, Lee was honking left and right to make sure that nothing got in our way of enjoying the sights of London.

One night a traveler from our group forgot an important bag in a restaurant. The tour guide and Lee was not optimistic that the traveler was going to be able to retrieve their valuables. Even still, two adults left the group in hopes of retrieving the bag. While they were gone, the group on the bus prayed that the bag be secured and retrieved. It was a passionate prayer, and within a

few moments, we received notification that the bag had been retrieved.

Everyone was thrilled!

Later that night, Lee sat down with the teachers in the lobby of the hotel. He praised our students for the way they behave and how they kept his coach bus clean and tidy. He was very impressed

with their attitude and kindness. Lee then told us that he had never heard anyone pray before outside of American movies. Personally I was shocked by this. For one, he had a large cross tattooed on his left arm and praised the architecture of the churches and cathedrals we passed on our trip. Lee then said that it was a miracle that the bag was found and only moments after we prayed.

This small moment is a continual reminder of who we need to be to God's people, even while we are exploring and discovering his creation.

In Christ,

# IRELAND, WALES AND ENGLAND SPRING BREAK TRIP

From the Ring of Kerry to the streets of London, the adaptability of our students on their Spring Break trip to Ireland, Wales, and England was impressive. There is no greater teacher than experience and these students, no doubt, received an excellent education on this unforgettable cross cultural experience.

## Places Experienced (to name a few)

Ring of Kerry

City of Tralee

Killarney National Park

Dublin

St. Patrick's Cathedral

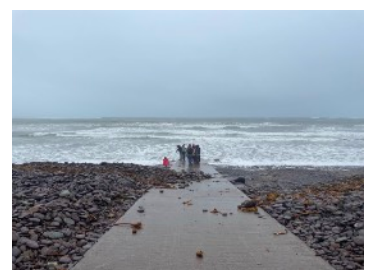

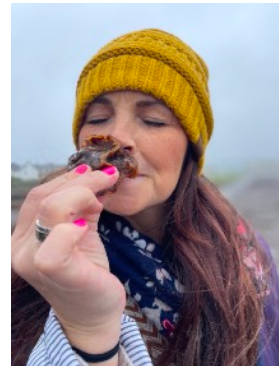

Irish Sea

Conwy Castle

Blarney Castle

Stratford upon Avon

London/Windsor Castle

## INTERNATIONAL DAY

International Day 2023 was a tremendous success. Seeing the Lower School students express joy and surprise as they walk into the gym is a gratifying image given the handwork of our students and faculty. Thank you to Chloe Hinchcliff for her hard work in bringing the double-decker bus to life. Also to the group of alumni who came back to help the teachers put together the London street scene and the Elizabeth Tower. We can't wait for next year's International Day.

## THOUGHTFUL THURSDAY

On March 9th, our student body participated in Thoughtful Tuesday. This was a time for our community to donate to those less fortunate. Student's bought in oodles of basic-need-type items to contribute to our local Salvation Army. In addition to items donated, Mrs. Osborne's class donated over \$100 to the cause, which was half of the proceeds from their recent 2nd grade market. Thank you, Tennessee Christian community, for your thoughtful and generous hearts in helping with this cause.

Thanks to all of our students that entered science fair projects in this year's Chattanooga Regional Science Fair.

A special congratulations to Joey Meir and Scarlet McPherson for winning Thermo Fisher Scientific Junior Innovators Challenge.

Tennessee Christian, as a school, also received certificates for Participation and Achievement in the Junior Division.

Thank you to Ms. Angie Kesley for the hard work and dedication to help our students.

Thank you students for a job well done!
