

TUESDAY TALON

Tennessee Christian Preparatory School provides a quality college preparatory education, from a Biblical worldview, and equips students for tomorrow's challenges by educating the mind and the soul.

Graduation is a significant milestone in every student's life. For the class of 2023, this statement is no different. The service at Broad Street United Methodist Church was saturated with tradition and ceremony honoring the accomplishments of our seniors. Saturday, May 13, Tennessee Christian handed diplomas to individuals who, throughout their tenure on campus, have impacted and led peers and younger students with grace. These students are holistically well prepared for the next step – life at college. The preparation was evident in the poised speeches by salutatorian Olivia Divel, and valedictorian Anna Grace Conar. Both placed enormous emphasis on their relationships with classmates and friends.

As the graduates walked across the stage, they were met with thunderous applause and jubilant cheers from family members and friends. With their smiling heads held high, they received their diplomas – a symbol of their dedication and perseverance. After the students were presented with their diplomas, the families gathered around each student to pray. Led by a faculty member, the host prayed for the student to follow the path God has for them, letting the Word of God lead their way. For that is the school's mission, to guide and direct the students to meet every challenge they face with Godly wisdom and grace.

ATHLETIC BANQUET

With a heart of recognition and appreciation, Tennessee Christian's Athletic Banquet took center stage to honor its remarkable kindergarten through twelfth grade athletes and their commitment to their respective sports. The ceremony was a wonderful occasion that not only acknowledged student's achievements but also celebrated their dedication, academic excellence, perseverance, and teamwork with a Christ-like attitude.

One by one, the athletes were called to the stage recognized for their efforts, countless hours of practice and determination. Coaches, teachers, and parents were there, beaming with pride, as each athlete received recognition. The banquet concluded with the awards of the male and female Athletes of the Year: Ms. Ashlyn Henry and Mr. Ben Sluder.

The air was filled with excitement and anticipation as the kindergarten students at Tennessee Christian prepared for a delightful Mother's Day tea party. This cherished event served as the perfect opportunity for our little hawks to express their love and gratitude to the women who mean the world to them—their mothers. With great enthusiasm, the children showcased the fruits of their labor, presenting their moms with heartfelt gifts they had lovingly crafted. It was a heartwarming tribute that celebrated the immeasurable bond between mother and child.
