TENNESSEE CHRISTIAN
Volume IV Issue X

from the **Head**

heart of giving

As a parent or guardian of a Tennessee Christian student, you know how important the school's mission is to your child's spiritual, academic, and personal growth. However, did you know that Tennessee Christian relies on donations to the Hawk Fund to provide the funds necessary to make that mission a reality?

The Hawk Fund is Tennessee Christian's annual fund, which is designed to help bridge the gap between tuition and operating costs.

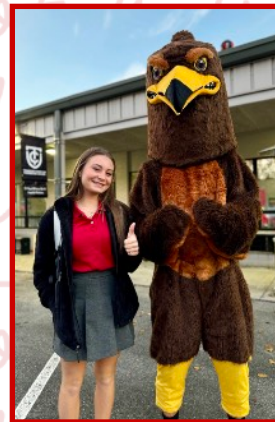

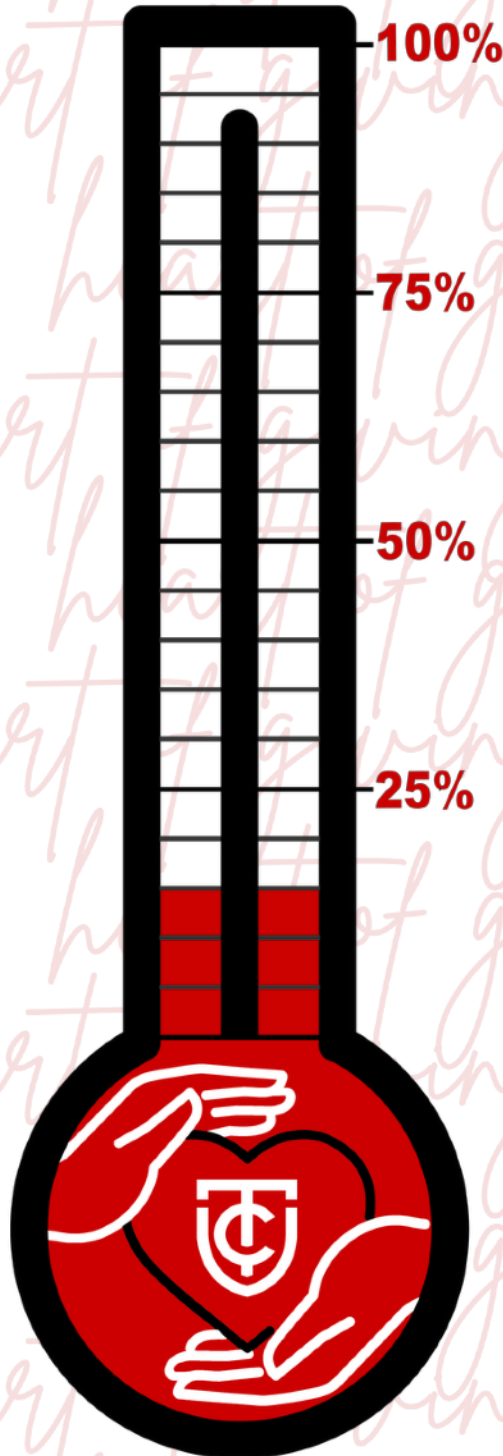

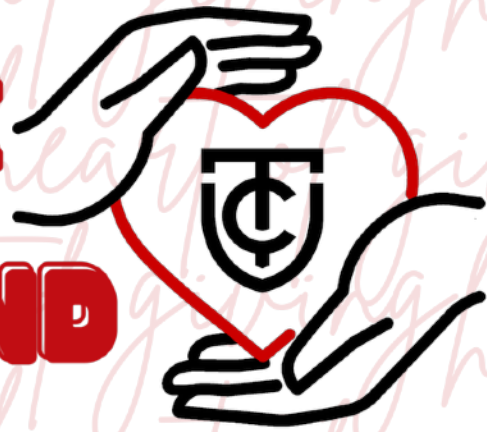

This year, the board of trustees, faculty, and staff have all given generously to the Hawk Fund, and we are asking all families to prayerfully consider joining them by making a gift to the fund. By giving to the Hawk Fund, you can help ensure that Tennessee Christian continues to provide an exceptional education to your child and prepare them for a successful future.

Every gift, no matter the size, makes a difference. Your donation can help Tennessee Christian provide students with the best possible education and equip them with the skills they need to face tomorrow's challenges.

Please take a moment to consider a gift to the Hawk Fund. Your support is greatly appreciated and will make a lasting impact on the lives of Tennessee Christian students. Thank you for your consideration and support of the Hawk Fund.

In Christ,

Jared D. Tilley

Our students' quick wit and comedic timing were a joy to watch Saturday night during the fall drama production of *Clue*. A crew of misfits played by our talented Upper School students found themselves in a series of unfortunate events. Suspicions and accusations were running rampant as the play unfolded.

Clue, our first production of the year, was a great start to the school year. Look for two more productions: a lower school Christmas musical in December and a middle and upper school musical in May. We are excited about seeing our students' hard work culminate in a production on stage.

We want to give special recognition to our seniors Isaiah Muñoz, who played Professor Plum and Georgia McPherson, who was Assistant Director.
